

The Agnes Irwin School

First challenge: Parking

You're running a bit late to school today, but you still need to get to assembly. Navigate the maze with your arrow keys to drive your car to the last parking spot in the top right corner. You can run over the green grass without problem, but if you hit another car you will be sent back to the start. Binders will earn you 5 extra points.

Assembly starts in 50 seconds, so hurry up!
